

## Jefferson County Photography Club

### Minutes

June 8, 2021

We had first post-Covid meeting at the Fire Hall Gallery. In attendance: Mike Keefer, John Kracke, Mary Jo Bennett, Alice Newton, Doug Allmond and Ellen Hardesty . Eric Whitenton joined us via Zoom.

We reviewed what everyone has been doing this past year. Responses included, backyard photos, back road car trips, framing photos from previous travels, taking photos from the window, genealogy, using Photomyne for old photos, and photographing cats.

Alice Newton and Mary Jo Bennett mentioned the museum of the Shenandoah Valley is a great place to take photos. Also, a good spot for taking photos of lilies is the pond at the Winchester hospital.
