**SUBJECT: Gallery exhibit**

Attendance: John Kracke, Doug Allmond, Rip Smith, Alice Newton, Cherie Casari, Ellen Hardesty

Rip mentioned the Alleghany National Photography Competition and Exhibition deadline is February 11, 2022. The exhibit runs April 2-23 of 202 in Cumberland, MD, alleghanyartscouncil.org.

Mary Jo Bennett has been appointed to head up the exhibit at the Summit Point Library. Members present suggested July-August.

Club members showed their images from this month's assignment of Parades. Then shared images we are considering for the up-coming exhibit in the Washington Street Gallery. Alice Newton shared a metal print she has done at the Molly Issacs workshop.

The main discussion for the evening was the exhibit. This is a short turn around. So mark you calendars in RED ink.
