Surprises

At the March meeting we will assign challenges to particular months.

Our Club has been asked to exhibit at the Heiler Gallery during the play Go-Go Girls of Laurelton Oaks which runs March 8 – March 17. We will hang the show on March 6 at 11 am.

It is suggested that the pieces be 11x14 printed framed to 16x20. Smaller sizes are also accepted.

Black frames are used most often. Your images should not have been shown previously at the Gallery.

All pieces must be framed and have a wire hanger. If you need help, just ask.

Label information: Your Name, Title of the piece and price (or not for sale)

We will need you to let us know who will participate in order for us to get a good idea of how many each member will be allowed. We are aiming for approximately 24 pieces.

There are several places to have prints made: White House Custom Color, BayPhoto, MPix and Shutterfly (formerly Costco).

David Erlich suggested that we perhaps could have a Live Event projection show at the FireHouse Gallery. We would invite people to drop by to see our photos and meet us in person.

Those present thought that is a good way to draw more attention to our Club and the Arts.

David would help produce it. You can check out his web sites at [Photofestwv.com](http://Photofestwv.com) or [Finephotoworks.com](http://Finephotoworks.com) (click on interest groups).

David Erlich, Alice Newton, Karen Geier-Smith, Ellen Hardesty and Doug Allmond met the Challenge of Selfies. Good Job!

The March meeting will be a Zoom meeting.

**March Challenge:** Chaos
