John Kracke got some great shots of the eclipse. Doug Allmond traveled to New York to take photos. Both will be sharing next meeting.

**Special Lightroom Presentation:** Karen Geier-Smith will be doing a demo of Light Room during the May meeting. Karen has asked members to submit questions about lightroom that they would like to see her demo or know more about, in advance of the meeting. She also said that if any members have specific photos, they would like to see her do some tweaking on with Lightroom, to bring it/them to the meeting and she will use the photos for her demo.
