#### Street Photography

Before the meeting, several club members walked around town taking photos of people. That was a lot of fun for all. John Kracke shared what he had taken and others can share a few photos at the next meeting.

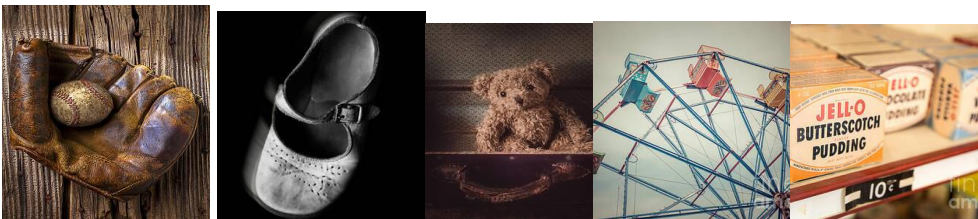

#### Business

Tina McClafin discussed our exhibit at the Summit Point Library in December. A waiver will be sent out to be signed by participating members. John Kracke reminded us that we will have an exhibit at the Fire House Gallery October 30<sup>th</sup> – November 25<sup>th</sup>. We should be able to take down from the Fire House Gallery and transport to the Summit Point Library. Start taking some awesome photos now!

Karen Geier-Smith visited the Shenandoah Museum in Winchester and posted some photos of the glass sculptors on display June 8 – October 13. The gardens are blooming beautifully. Definitely worth a visit.

This month's challenge was PEOPLE. Mary Jo Bennett, Suzanne Bowers, Karen Geier-Smith, John Kracke, Doug Allmond, Ellen Hardesty, Tina McClafin and Mike Keefe shared some fantastic photos.

#### July Challenge: CHILDHOOD MEMORIES

These are just a few examples. Now you get creative! We will be critiquing some of your images.

#### Upcoming Presentation:

At the July meeting MaryJo Bennett will demo "Creating In-Camera Abstracts". There will be a short demo followed by slideshow of different techniques to capture abstracts without the use of photo editing. You won't want to miss this!! The August challenge is Abstracts.
